MISSION: ATLANTA (M:A) 2012
GET CONNECTED. STAY CONNECTED.

WHAT IS M:A?

Imagine over 200 teenagers serving lunch and planning activities for children in under-resourced communities all over Atlanta. M:A is an experience that helps teens realize their leadership gifts through serving others. Teens stay overnight at a YMCA for days filled with service and evenings filled with fellowship. Each evening the strength of our team is built through excursions all over Atlanta.

Parents are invited at the end of the week to our M:A banquet (Saturday night) to see the success of our week. M:A banquet is held at the Alpharetta YMCA Teen Leadership Center.
