

Partnership Opportunities

Dear Prospective Sponsor,

flood Student Missions is excited to announce our annual Glow with the Flow 5k Road Race on Saturday, March 3, 2018 in Johns Creek, Georgia. This race has consistently had over 600 participants in past years and we anticipate an equally well attended event again this year. Proceeds from the race go to flood Student Missions and our vision of developing Servant Leaders among middle and high school students. flood is a student led ministry where student leaders engage over 1,000 students from over 20 different schools each year to serve in their communities. All monies raised goes to support the ministry and all the local mission work students do each week in their schools and communities.

We invite you to partner with us as a Business Sponsor for this event. Based on your participation level, your company may be promoted on all of our pre-race materials, advertising and social media leading up to the race. You will have visibility on all our media outlets including Facebook, Twitter, Instagram and our website. All sponsors will be identified on the race-day runner t-shirts which is another excellent opportunity to promote your business in the community year-round.

To become a sponsor complete the form in this packet or go online to www.glowwiththeflow5k.com.

Thank you so much for partnering with flood Student Missions to produce a fun-filled community event and support 1,000's of students to serve locally in their communities. Should you have any questions, please contact our team at glow5k@floodstudentmissions.org.

Sincerely,
The flood Glow with the Flow 5k Race Committee
